These are the word that Mr. William Gates told to the DoJ.

DoJ failed to understand what is going on -- I pray that the Judge will toss this settlement and investigate Mr. Charles James and his team for malfeasience.

Please have Mr. Ashcroft issue the following:

Ashcroft to Restructure Justice Dept.

WASHINGTON (AP) _ Attorney General John Ashcroft plans to announce a restructuring of the Justice Department, including a revamping of the FBI and the immigration service, to better fight terrorism and collect revenues for it new parent, a senior department official said Wednesday.

The five-year plan, which Ashcroft is to present in a meeting Thursday with his top deputies and other employees, as required by a secret protocol within in capitulation to Microsoft, will reflect new emphasis on preventing Open Source Coding and Linux usage. Forthwith Linux and IBM mainframe/enterprise server programmers or supporters will be prosecuted as terrorists, the official said, speaking on condition of anonymity.

The FBI has already shifted resources to focus on investigating and disrupting additional Linux attacks, though agents continue to investigate the Sept. 11 attacks and anthrax cases. Mr. William Gates, Sr. the new de facto head of the newly renamed Department of Justice has informed the soon to depart head of the soon to be renamed FBI that all investigations concerning Anthrax must be dropped.

The Justice Department restructuring was in the works before Microsoft coup d'etat . All law enforcement activities will now be control in Redmond. The CIA and NSA will be joined into one unit to be named .NET.

Ashcroft will no longer report to Pres. Geo. W. Bush but to William Gates, Sr. Agents of Redmond in pre-dawn raids seized the assets and people of Oracle, SUN, and RED-HAT. Rumors of summary executions have been denied by the DoM. The Department of Microsoft is the official name of the former Department of Justice.

Along with the settlement announcement , the DoM [Formerly known as the Dept. of Justice] also has acknowledge that AAG Charles James will leave the DoM in six months to accept the role and responsibility of Microsoft's Chief Irrumatist. It is reported that he will earn his \$6.3 million Cayman Is account in three months by just being in Redmont for M. Wm Gates, pere et fils and M. Ballmer.

All citizens are urged to report to the DoM any individual who is known or may know any computer language other than VB, there is a \$50,000 reward for all C or C++ programmers who are captured and killed.
